The Co-Directors of Browns Corner Camp 2019 were pleased to host six campers for what proved to be a memorable experience for all. In the picture above the campers are about to take a ride on the Patriot, out of St. Michaels, MD. The owner and skipper of the boat, John Marrah, is a friend of Nana and Grampa's and the campers received special treatment while on board.

In addition to our boat ride adventure, we spent a lot of time at Browns Corner Park.

A Shutterfly book is coming soon!
