Browns Corner Campers Tee-Shirt Creations

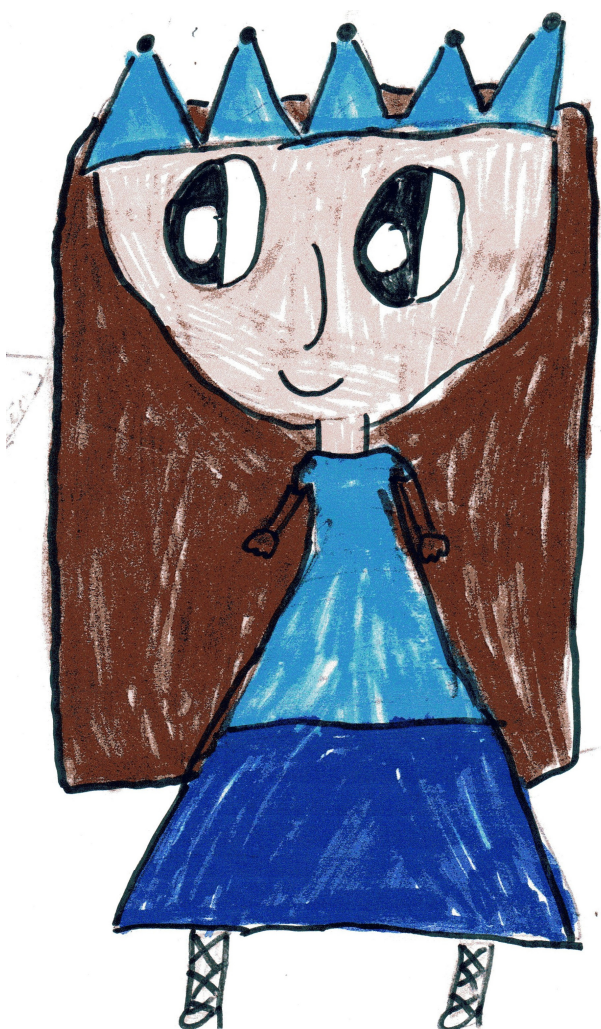

By Nana

Browns Corner Camp took place from June 17 – 24, 2017. The campers were involved in many adventures and activities. Some of them included trips to Matapeake Beach, a ferry boat ride, lots of time in the pool, a memorable dinner on Chesapeake Bay (Harris Crab House), a weenie roast, and the initiation of the Browns Corner Cooking Club. A memory book about our 2017 experiences is in the works and will be distributed soon.

help created an electronic image that was printed onto iron-on transfer material. Adults and in some cases campers ironed the design onto the tee-shirt.

Tyler's art work

Zoe's art work

Elle's art work

The campers made tee-shirts using iron-on technology. The campers created their own original art work and with Grampa's

Lila's art work

After the campers completed their tee-shirts they were eager to pose for a group photo.

Impressive!

Special Thanks to...

By Nana

There were many people who made Browns Corner Camp, 2017 a wonderful experience.

- Thank you to Zoe for bringing pool and water accessories. Everyone

enjoyed the flamingo, slip and slide and beverage holders.

- Thank you to Tyler for inventing the Browns Corner Camp Cooking Club. We had a great time making applesauce, double chocolate chip cookies, roasted weenies and s'mores.
- Thank you to Elle for being a sweet, loving cooperative camper. And also, for laughing at Grampa's underpants.
- Thank you to Lila for her overall cheerful, enthusiastic attitude. And also for trying to find fireflies in the dark. We'll have to try again.
- Thank you to Mr. David for letting Browns Corner Campers feed his chickens.
- Thank you to Miss Kim for letting Browns Corner Campers pet and feed her horse.
