## Christmas at Browns Corner

By Nana

**C**hristmas 2017 was a busy time for all of our families. The Ahaghotus, the Middlebury Houle Randalls and the Sweeneys were at Browns Corner for Christmas. Unfortunately the Riverside Randalls were ill and could not join us. We ate **LOTS** of cookies, ate prime rib cooked by Grampa and had a great time!

Grampa and Nana spent Christmas Eve with the Sweeneys. We celebrated the Italian-American tradition called the Feast of the Seven Fishes. There are many theories about why the number seven is used. We actually had 9 different fish dishes!

What would Christmas be like without lefse and rullepulse? Since the Christmas tree was in the greenhouse, Christmas gift opening and lefse and rullepulse eating were conducted there.
